<p>You proposed to supply funding to the following projects.</p> <ul style="list-style-type: none"> ◆ £200 towards resources for the Arts Award project submitted by Mrs Abraham. ◆ £100 towards the Year 10 rewards project submitted by Mrs Newell. ◆ £200 towards resources to support the LGBT Group submitted by Miss Robinson. <p>You asked that where appropriate the school support these projects with some funding as well and that updates be provided later in the year as to the impact of the funding received.</p>	<p>We are extremely grateful for the funding offered towards the projects detailed and thank you for your continued efforts to raise money for our school.</p> <p>We will offer our assistance to the projects discussed to support your funding also. We will also ensure updates are provided to the group at a future meeting.</p>
<p>You wanted to consider funding for the following projects once more information was known.</p> <ul style="list-style-type: none"> ◆ Kitchen unit for The Base - Funding to be considered once full implications (eg. GFM involvement) and final costs known. ◆ Projector for Year 11 Area - Funding to be considered once full scope of works is known (eg. GFM / ICT Support involvement) and final costs known. 	<p>We thank you for considering these projects and will provide the required information to you once it is known so a final decision can be taken.</p>
<p>You believe the upgrade to Parentmail PMX has been largely positive but wanted us to note the following.</p> <ul style="list-style-type: none"> ◆ Messages and prompts for trips etc are received by Parents even if not applicable to their child. ◆ Some messages received by Parents detailed "Urgent" but then retracted and then replaced by another message causes unnecessary concern. 	<p>We are pleased the changeover to PMX has been largely successful but accept that there are still some issues to address. Thank you for highlighting specific examples which we can use in our discussions with the service provider.</p>

<p>You also believe that an Oulder Hill specific Parent-mail app would be a good development but would like the opportunity to test it out and give feedback on behalf of Parents before any type of launch.</p>	<p>We agree and plan to bring this to a future meeting if we progress with plans to look at introducing this option for Parents/Carers.</p>
<p>You would like us to pass on your thanks and congratulations to former Student and recent guest speaker (Celebration Evening), Hassan Iqbal who you believe to be very inspirational and an excellent role model for Students.</p>	<p>We are extremely proud of Hassan and like you, thought his appearance at Celebration Evening was extremely inspiring to Students. We will ensure he received your message of thanks.</p>
<p>You wanted to raise a couple of issues for us to be aware of.</p> <ul style="list-style-type: none"> ◆ A particular car/driver causing problems and acting dangerously on Hudsons Walk, you had noted the registration. ◆ Public footpath leading to the back of site regularly waterlogged and very muddy, causing problems for Students trying to access the school site. 	<p>We would like to thank you for identifying these issues and would encourage you to contact the relevant enforcing bodies at the Police and Council respectively. We in turn will also register concerns with them about these issues.</p>
