

Parent Forum Feedback from Thursday 9th February 2017

You Said...

We Did...

<p>You found the presentation given by Lindsey from PACE (Parents Against Child Sexual Exploitation) extremely useful and informative and were keen to ensure the key messages got out to as many Parents/Carers as possible.</p>	<p>We are exploring ways to share this important information effectively, particularly through our email and text system and also through social media and our website. Work on this will be ongoing</p>
<p>You would like us to include the suggested web links so that they are easily accessible.</p>	<p>Please find below:</p> <p>www.virtual-college.co.uk/products/safeguarding-children-from-sexual-exploitation.aspx</p> <p>www.thinkuknow.co.uk</p> <p>www.ceop.gov.uk</p> <p>www.internetmatters.org</p> <p>www.itsnotokay.co.uk</p>
<p>You thought the proposed development regarding fine grading of Student progress scores on reports is a positive move and will mean that those reports and the judgements about progress within them are more useful for all concerned.</p>	<p>We are delighted you agree with our belief that fine grading our progress grades for Students is the correct next step. This will now be implemented in time for the next round of Student reports.</p>
<p>You suggested that it might be advantageous to remind Parents/Carers that they may bring younger children to forthcoming meetings if childcare is an issue. This will hopefully increase attendance further.</p>	<p>We will follow your suggestion and make sure that provision is explicit when sounding out future agendas to Parents/Carers.</p>
<p>You were very pleased to hear how we have performed compared to other schools in the region based on the recently released performance tables. You were keen that we share this good news with stakeholders and prospective students and their families.</p>	<p>We were pleased to be able to share this with you and whilst there is still work to be done, we are pleased with the direction the school is heading. We too are keen to share this information with a wider audience, although remembering to be mindful about naming other schools or making direct comparisons. We are as always grateful for your continued support on our journey of improvement.</p>
