<p>You were very impressed with the work being undertaken to quality assure teaching and learning and also the measurable and positive impact the process is clearly having on what's happening in the classroom.</p> <p>You wondered how widely this positive information could be shared.</p> <p>You also wanted to pass on your compliments to Ms Plaice on her presentation.</p>	<p>We are delighted with your feedback, thank you. We too are pleased with the progress we have made this year and will continue to drive those improvements whilst also consolidating the excellent practice which already exists.</p> <p>The current data on teaching and learning is still a work in progress but we want the process to be as transparent as possible and will share what we can with who we can in due course.</p> <p>We have passed on your compliments to Ms Plaice, thank you for your kind comments. If there are any outstanding queries from the evening she will be happy to address them, please just let us know.</p>
<p>You made the following suggestions for ways in which we could improve the Student Planner:</p> <ul style="list-style-type: none"> <li>◇ Keep the content simple</li> <li>◇ Pocket or elastic band for papers</li> <li>◇ Designated section each week for recording behaviour and attendance information.</li> <li>◇ A "carry forward" section for project work or similar which is set over a number of weeks.</li> <li>◇ An "authorisation page" or similar where lift passes etc can be kept together</li> <li>◇ An elastic loop for keeping a pen/pencil</li> </ul>	<p>We are grateful for your thoughts and will ensure they are factored in when we look at possible designs with suppliers in the forthcoming term.</p>
<p>You wondered if there were any further updates on those projects which have been awarded funding by the Parent Forum.</p>	<p>We were able to provide an update on the Arts Award project. Further information on the other projects will be presented during the next term.</p>

### You Said...

### We Did...

<p>You would like us to pass on your compliments to all involved in the organisation of the recent Year 7 Parents Evening. The planning, organisation and logistics of the evening were excellent.</p>	<p>Thank you for such positive feedback, we have shared this with the relevant staff who are delighted.</p>
<p>You believe that the use of iPads and online surveys to collect Parent/Carer opinions is a positive development and will help increase returns. You did however suggest that we need some sort of system to help identify when a Parent/Carer has completed the survey so they are not asked on multiple occasions in the same evening.</p>	<p>Thank you for the very useful feedback. We are very pleased with the early results of the new system but have noted your feedback about Parents/Carers being asked multiple times and will adopt a sticker policy as suggested to prevent this from being an issue at future events.</p>
