

Parent Forum Feedback from Tuesday 17th May 2016

You Said...

<p>You found the E-Safety presentation from Mr Rahman very useful and believe it is something all Parents/Carers may benefit from.</p>	<p>We are pleased you found the presentation helpful and informative and are now exploring ways of sharing this with all Parents/Carers.</p>
<p>You believe that a number of areas of the boys achievement project have been successful, impacting on those Students involved and are pleased to have supported it. You do however believe there is more to be done and that Students across all years may benefit from this type of positive intervention.</p>	<p>We are extremely grateful for your ongoing support of this initiative. We would welcome any other ideas you may have as Parents/Carers to further engage boys and we will continue to improve what we do for them as well.</p>
<p>You believe the recently produced "Behaviour and Discipline" guide would be effective in certain circumstances but believe it gives a very negative impression if it were to be sent out to all Parents/Carers and/or put on the website.</p>	<p>Thank you for your feedback. Having reflected on this we agree and will aim to use the booklet in the appropriate forums rather than sending it out wholesale.</p>
<p>You are pleased that the group will receive a dedicated page in the upcoming edition of Connect to promote the group and encourage new members to join</p>	<p>We are very thankful for the excellent piece written by members to be included in the newsletter. We will ensure copies of the newsletter are circulated in as many places as possible, particularly our partner Primary Schools, to support the recruitment of new members.</p>
<p>You have now provided the funding for the outdoor furniture (£900) and for the BTEC Gardening project (£500). The next donation will be towards the Year 11 Prom reception (£500)</p>	<p>Once again we are delighted by and thankful for your support. We will provide updates on these projects at a forthcoming meeting.</p>
