

Parent Forum Feedback from Tuesday 16th May 2017

<p>You found the presentation on our behaviour management systems useful. You were keen to ensure we have a clear and engaging rewards system in place to support our behaviour management policy and to ensure the vast majority of our Students who do well every day are recognised.</p> <p>You also believe it is important that we check regularly with Students what their perceptions and beliefs are with regards to behaviour at Oulder Hill.</p>	<p>We are pleased the presentation was useful and thankful for the insightful questions and comments.</p> <p>Our rewards system is being overhauled and a significant piece of work of work is being undertaken to improve what we do. A separate presentation to the Parent Forum on rewards will be planned once all the systems are in place.</p> <p>We also agree that Student Voice is vitally important and plan to conduct more Student Voice activities in the future.</p>
<p>You were happy with the proposals for the new Student Planner and pleased to see many of your recommendations included.</p> <p>If possible you would welcome the opportunity to see a sample at the next meeting.</p>	<p>Thank you for your support with this, we will certainly endeavour to bring a sample to our meeting in July.</p>
<p>You agreed that a stand alone leaflet celebrating the Parent Forum would be a good way to promote the group and share success stories which in turn will hopefully attract new members. You would also like to see a more prominent reference to the Parent Forum in Student Planners.</p>	<p>We support both of these ideas and will work on them in advance of the next meeting.</p>
<p>You were thankful for the feedback provided on the initiatives which had received funding from the Parent Forum and wanted to pass on your congratulations to the relevant staff.</p>	<p>Thank you again for your support we will ensure the relevant staff receive notification of your best wishes.</p>

Parent Forum Feedback from Tuesday 16th May 2017

We Did...

<p>You were happy to support Year 11 Students in their request to host the Pre-Prom Reception at the venue this year.</p>	<p>Our Staff and Students are thankful for your support and we will now work with those members organising the reception to arrange how it will work.</p>
<p>You were pleased with the forthcoming Safeguarding event and will help promote it with fellow Parents/Carers.</p>	<p>We too are pleased with this development and hope we get a high level of attendance on the evening so that we may share best practice and guidance with as many Parents/Carers as possible.</p>
<p>You requested an up to date calendar of events to help plan when you could support the refreshment stall etc.</p>	<p>We have put this together and it will accompany this feedback.</p>
<p>You suggested that a video could be made about the Parent Forum to help with marketing and recruitment.</p>	<p>We think this is a great idea and will share with our Film Club members.</p>
<p>You wanted to feedback that the Students responsible for collecting the Parent Voice surveys at recent Parents Evenings have been wonderful.</p>	<p>We agree, they have been superb and we will pass on your comments, thank you.</p>
