

Parent Forum Feedback from Thursday 7th December 2017

We Did...

<p>The initial part of the meeting focussed on feedback following our recent Ofsted inspection. Mr Watson, Headteacher, shared his thoughts on the process and the outcome and then opened the floor to questions from Parents/Carers.</p>	<p>We are very grateful for the challenge and support you continue to offer the school. We have a responsibility to all our stakeholders to ensure we accelerate our journey of improvement and we are up for the for the challenge. We will continue to update the group of developments post Ofsted and areas we are working on and areas where you can support us.</p>
<p>You received a number of funding bids from a range of staff and departments from across the school. You made the following decisions.</p> <ul style="list-style-type: none"> • Bike Storage - £250 donation to create a secure bike storage area of staff and students. A further £100 has been kindly donated by Bluetree Financial Services. • Garden Project - Staff and Parents will use any contacts they may have in trade to see if additional corporate funding is available to support this ongoing project. • Lunchtime Equipment - A number of you confirmed you had contacts who could donate equipment such as footballs for Students to use at break and lunchtime to increase participation in healthy, production activities. You will individually follow up and see what can be provided. • Oldham Theatre - You requested more information about the Oldham Theatre project for the next meetings, specifically looking at numbers of Students who could be involved. A decision on funding to follow once you have more info. • Art Washout Booth - You agreed to revisit the proposal from Art at the next meeting when more background work had been done in terms of actual cost and impact. <p>You would also like us to share with Staff how pleased you are with the response, you feel it shows how high profile Parent Forum funded projects have become.</p>	<p>We can only thank you once again for your continued efforts to raise money and resources for our school. Students benefit directly from what you do which is the single most important reason for having a group like this.</p> <p>We will share your positive comments with Staff and hopefully encourage yet more people to become involved in what you do.</p>

You would like an update on the SIMs Parent App following the recent trial. You feel it is a very valuable addition to our communication and information streams.

We will ensure an update is provided, including details of our rolling programme to introduce to all Parents/Carers and details of other features which may come online in the future.
