

Parent Forum Feedback from Thursday 16th May 2019

You Said...

We Did...

<p>You were interested to hear about the proposed developments regarding behaviour management, promoting a positive culture and developing key character traits in students. You agreed this was a key area for development and were encouraged by the proposals.</p> <p>You would like us to feedback on the impact of the changes at a future meeting.</p>	<p>We are pleased that our proposals have been so well received and look forward to putting them into action. The roll out for many of the developments is week commencing Monday 17th June, so that we are able to trial things before the summer, ready for September.</p> <p>We would be happy to return to a future meeting to discuss the impact.</p>
<p>You were happy to trial the use of Doodle (the online homework platform) for us and feedback on your experiences from a Parent/Carer perspective before the whole school launch. You agreed that this was a positive development and feel that it will bring more consistency and transparency to the setting and completing of homework.</p>	<p>We thank you for sharing your experiences with us as this will help us ensure the whole school launch and subsequent use of Doodle is better for everyone involved.</p>
<p>You are keen to support the funding bid to create a memory garden. You asked that staff and members with contacts in the building and gardening trade explore if any donations would be forthcoming before deciding on what level of additional funding was required.</p>	<p>We, like you feel this would be a superb addition to our school community and are keen to ensure the project receives the support in needs to become reality.</p>
<p>You advised that the current PF account stands at £607.99.</p>	<p>Once again we can only thank you for your ongoing efforts to raise money for the benefit of our students and school. Considering the number of projects you have supported this year, the running total is testament to your amazing efforts.</p>
<p>You asked if it would be possible to install some plaques or similar to publicise the different projects that the Parent Forum has supported across and around the school.</p>	<p>We think this is a great idea and will speak to our Art department to see if they can produce something.</p>

Parent Forum Feedback from Thursday 16th May 2019

You Said...

We Did...

<p>You asked about the possibility of holding other community events to mark special occasions within the calendar across different faiths and religions based on the Community Christmas Lunch model.</p>	<p>We will certainly look into this and bring back some suggestions at a future meeting for your consideration.</p>
<p>You wanted to pass on your compliments regarding the recent Year 9 Review Day. You felt it was well organised and very beneficial for Parents/Carers.</p>	<p>We are delighted to hear this and will share your feedback with the staff involved.</p>
<p>You would like us to note that as Parents/Carers you have found the online booking system for events a welcome addition.</p>	<p>Again, thank you for the feedback, we are very pleased this has made the experience better for you.</p>
