

Our Ref: JWa/nw

6th May 2015

Dear Parent/Carer

You may well have noticed that this year we have updated our Oulder Hill logo such as on the new website and other more recent communication streams and marketing material. To complete the picture we now intend to update the logos on our uniform too. From this summer any new uniform purchased from our suppliers will have the new logo on it. For new Year 7 students we will insist that all applicable items of their uniform carries the new logo. For existing students we are happy to allow them to continue to wear items of uniform with the old logo for the life of that particular item. For example, if you have recently purchased a blazer for your child, there is no problem with them continuing to wear that blazer next year.

When deciding on the style of the new logo and the way in which we would introduce the new uniform items, we were very grateful for the support and advice offered by the Parent Forum, who, like us, were keen to ensure families were not unnecessarily compromised by this change. Whilst the change itself is only small, we feel it is important that the logo on the uniform is consistent with the school's corporate image and reflects the more modern and attractive logo we moved to last year.

If you have any questions regarding the change or how it is being implemented then please do not hesitate to contact Mr Armitage.

Information regarding the suppliers of Oulder Hill uniform is available via the school website: www.oulderhill-school.com/parents/uniform-information/ and all will be stocking items of uniform with the new logo later in the year in readiness for September.

Thank you for your support in the ongoing transition to the new uniform.

Yours sincerely

Mr. J. Watson
Headteacher
