

Dear Parent/ Carer,

Please find details below about timings for the first week back in September. Due to updated guidance for schools about COVID 19 and testing requirements, the times and days that students are required to attend have changed. This is to accommodate staff training, lateral flow testing and to ensure all pupils are fully inducted into the school and our new routines and expectations. Students are expected to complete two lateral flow tests in the first week of school. This will be accommodated by the first being administered in school on Monday 6th September and the second during their induction day on Friday 10th September.

Please read the information below carefully to ensure that you know when your child is required to attend.

Date	Attendance information
Friday 3 rd September	STAFF INSET pupils do not attend
Monday 6 th September	Lateral flow testing. Year 10 to arrive at 10.00 am . Uniform is not required. Enter at pupil entrance. Testing will be completed by 11.45pm Students leave site with work to complete for the week. (Also to be parent mailed home and placed on the website).
Tuesday 7 th September	STAFF INSET pupils do not attend
Wednesday 8 th September	Pupils work on tasks given to them on Monday at home
Thursday 9 th September	Pupils work on allocated tasks at home
Friday 10 th September	Y10 Pupils to arrive at school for 8.30 am for school induction. Uniform required.
Monday 13 th September	School is open to all students for onsite learning. Uniform required. All pupils to arrive punctually for an 8.30am start, we would encourage them to be on site from 8.15 onwards.

Any questions please do not hesitate to contact school.

Kind regards

Lindsay Duley

Assistant Principal
